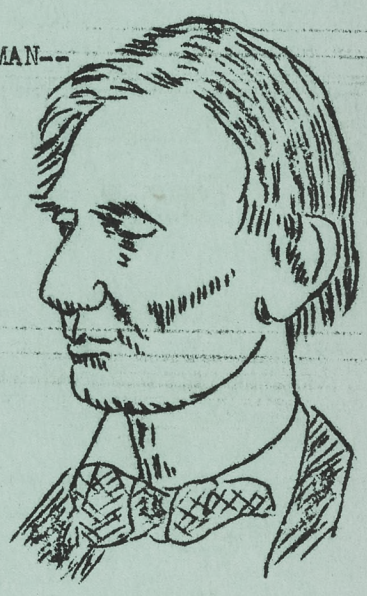
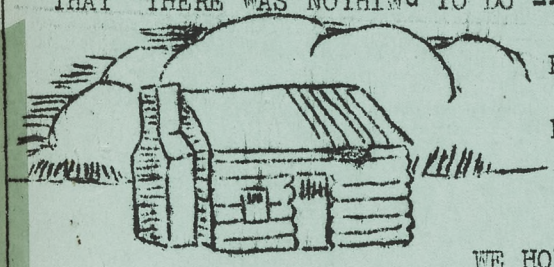
ONCE UPON A TIME—



THERE WAS A YOUNG MAN--WITH A DREAM. THIS YOUNG MAN WAS IN HIS "TEENS". HE DIDN'T OWN A "HOT-ROD"--OR A DESK, OR A READING LAMP--HE DIDN'T EVEN HAVE A ROOM OF HIS OWN. HIS DREAM WAS TO BECOME AN HONEST LAWYER--SO THAT POOR PEOPLE LIKE HIMSELF COULD HAVE SOMEONE LIKE THEMSELVES TO FIGHT FOR THEM. HIS PET HATE WAS MAN'S INHUMANITY TO MAN. THIS TEEN-AGER HAD THE INTESTINAL FORTITUDE IT TAKES TO DO SOMETHING ABOUT IT! HE DIDN'T WASTE HIS TIME WHINING THAT "THERE WAS NOTHING TO DO"---HE FOUND SOMETHING TO DO--AND DID IT! HE PROBABLY NEVER DREAMED HE WOULD GRADUATE FROM HIS LOG CABIN BEGINNINGS TO THE "BIGGEST" HOUSE IN THE LAND---THE WHITE HOUSE! THAT IS WHY WE HONOR AND RESPECT HIM TODAY---NOT BECAUSE HE WAS PRESIDENT OF THE UNITED STATES--WE HAVE HAD MANY OF THEM WHOSE BIRTHDAYS WE DONT CELEBRATE! WE HONOR HIM BECAUSE HE MADE SOMETHING OUT OF PRACTICALLY NOTHING!



TUESDAY, FEBRUARY 12TH, IS---

LINCOLN'S BIRTHDAY

--WE WONDER HOW HE WOULD HAVE CELEBRATED IT--TODAY?????

PARTY FOR LOCAL YOUNG FOLKS:

Last Saturday evening, February 2nd, the "perfect" waitress (???) at the Fountain of Youth--Mrs. Marion Findlay, gave a party for "the gang" at her home, 1074 Florida Street, San Francisco--in honor of her house guest, Miss Joan Hobday, of Bliss, New York. (Mrs. Findlay's hometown!)

Some of the activities enjoyed on this special ground-hog's day included the mysterious and terrifying "airoplane rides" ---the Happy Landings ending mostly on "pilot" Hobday's shoulders! Also of great amusement was the startling result of that hilarious old stand-by "Inchy-Pinchy"--(ask Jackie Fogleman!)

Judy Woodard contributed much to the evening with her gifted piano music, and the hostess (!) wishes to express her thanks for this and also to the gang for the congenial spirit of fun and laughter which carried along the whole evening.

Brisbanites present included Pat McCauley, Sherry Lawrence, Dee Bybee, Sharon Storch, Judy Woodard, Gladys Jackson, Carol Chapman, Virginia Tosinni, Tommy Termerre, Bob and Jack Fogleman, Snookie Mayes, Jerry Tosinni, Dick Firth, Charlie Marin, Benny Carvalho, Dave Wilson, Charlie Green, Punky Grocerson, Dwayne Wyne, Richard Wright, Joe Gonzales, Wally Woodard, Merle With, Garreth Boardman, Dave Agnew, and "Red" Sultaire.

NEW OFFICERS FOR S.M. CO. COMMUNITY CHEST

At the annual membership meeting of the Community Chest of San Mateo County, held Monday evening, February 4th, at the Peninsula YMCA, and the official board meeting that followed, new officers were elected to serve during the year 1952 as follows: president, Glen O. Smallcomb of San Mateo vice-president, Mrs. George Kulchar of Woodside; and treasurer, Carl E. Ward, of San Mateo.

Ten new Board of Director members were also elected to serve for three year terms. They are; Louis B. Domattois of Redwood City, M.H. (Bob) Rocco of San Mateo, Mrs. Louis B. Lundborg of Atherton, Dexter J. Tight of Woodside, A.E.Worolin of Hillsborough, Harris B. Fenn Jr. of Atherton, Fred Bertetta of Daly City, Mrs. George Kulchar of Woodside, Edwin Foss, of Burlingame, and Carl E. Ward, of San Mateo.

A resolution to amend the by-laws to increase the official board from 30 to 36 members was introduced, also to have three vice-presidents instead of one. Action will be taken at the next board meeting to be held in approximately thirty days.

Retiring president George H.Atkinson lauded the fine work of the campaign committee headed by J. Neil Hanson of San Carlos for the second consecutive year, and presented him with a certificate of appreciation. As a result of the tremendous amount of work, Atkinson said we are able to pay the 15 Red Feather Agencies of the Chest ninety-five percent of their campaign quota. A total of $298,250 has been raised to date with prospects of some further contributions being received. The amount raised for this year represents twenty-two percent more money than was raised last year. This outstanding record is one we can all be proud of, Atkinson said.

Smallcomb, on behalf of the Board of Directors, presented the retiring president with a certificate of appreciation for his fine services.

SERVICEMAN'S CORNER: (cont'd from p.2)

Well, there you have it, fellers. All these nice letters--sure makes this column worth every tap of the typewriter, doesn't it?

In regards Herb's letter--between Herb's dad, Larry's grandmother, and myself--we were going to get Herb and Larry together over there in Okinawa if we had to come over there and do it the hard way!---and then, by pure chance the two nice guys did it all by themselves without all the interchange of addresses that was going on back here! Just goes to show you--IT'S A SMALL WOILD!

About Walter's letter---no, I didn't know that he was at Sheppard field in Wichita Falls--because just last week we printed a billy-dew from Lackland about him, complete with picture! Well, NOW we know!

I see by Hank Shultz's letter that he is being kept busy in spite of recent umptieth birthday! Why doncha pull the "I'm either too old or too young for such hard work" angle on them, Hankie???

And from Rowboat's letter, we see that he was 2½ days late getting back. And he's wondering why the instructor isn't smiling!

The letter from Mrs. Gibson came as a surprise, because Sgt. Gibson had just dropped into friend husband's Service Station the other day to report that he was back in the states. He didn't say whether he had been discharged, or just transferred. We're waiting to hear from him again, so we'll know whether or not to keep sending the Bylines.

All these letters above will be answered with little notes tucked into the present issue of the Byline--so won't answer them here.

Guess who else is back home right now? JIM RICE. Although I don't know if he's just home on leave, or discharged. Wish he'd drop into the office so I could thank him for all the nice letters he sent while overseas.

And at the Brisbane Theater the other evening, we were surprised to see Mansel Roland, home on leave again--so SOON??? Good to see him, tho---he's such a darn nice kid! He was with his buddy, who, incidentally, is the new STUDENT BODY PRESIDENT over at Jefferson Union High School--a character by name of RICHIE TRANTHAM!

Also at the show was JERRY CROWLEY--home because of his mother's serious illness.

Well, guys---that's all for this time. My goodness--THREE WHOLE COLUMNS this week. How's that for hitting the jack-pot????

ACTION TAKEN ON RECENT TRAFFIC TICKETS:

In regards the recent flood of parking tickets being given out on the main street of Brisbane--in which many otherwise non-offending automobile drivers are being given traffic tickets for not cramping wheels to Brisbane's non-existing "curbs", the following action has been taken by some of Brisbane's tax-paying citizens. The following is a copy of the letter sent to the Captain of the California Hiway Patrol by Judge T.L.Bocci, of South San Francisco:

TO CAPTAIN CASSELL, CALIFORNIA HIGHWAY PATROL, REDWOOD CITY, CALIFORNIA:

Dear Sir:--I have received numerous complaints from the people and businessmen of Brisbane, relative to parking tickets you have been issuing recently. It is my understanding that the parking problems are the same as they have been in the past several years, and the enforcement of the parking regulations in these past years have never been enforced. It appears strange to me that the department should enforce them now. The consequent has been that my Court has received numerous complaints. I would appreciate your department re-considering the procedure of issuing these citations for parking violations in that area. Very truly yours,

JUDGE T L BOCCI, Justice of the Peace, First Township.

* * * * * * *

In regards the above, we feel that flagrant disobedience of parking laws should be strictly enforced, such as parking on the wrong side of the street--double parking, --speeding--loud and excessive tooting of horns--and so forth. But we feel quite strongly that the innocent meeting attendant--the unsuspecting theater goer--etc.--should not be subjected to the embarrassment of coming out after said meeting or movie is over, to find a traffic ticket on his automobile. If that man is definitely breaking the law, to the extent that he is endangering the lives and safety of other people, then he should receive a ticket. But, until the time that the state, or the county, sees to it that Brisbane has it's promised curbs--how can the state, or the county--have a clear consience about fining local citizens for something the citizen cannot help? We would like to hear more local opinions about this, please.-----The Editor.

JEFF HOLDS MID-WINTER GRADUATION:

On Thursday evening, January 31st, 1952, some thirty young people received their High School Diplomas, awarded them after four years of school work at Jefferson Union High School in Daly City.

Receiving that important piece of parchment were Jim Albera, Mary Beament, Basil Beeson, Bill Boghosian, Donna Canavesio, Craig Coffee, Larry Comer, Charles Donley, Pat Fevurly, Floyd Gonella, Les Gorsuch (Life member, California Scholarship Federation), Gail Howes, Ron Jennings, Duane Johnson, Joe Ann Keilbar, Don Lewis, Gene Lorenzo, Nancy McCaffrey, Earl McCune, Dorothy Morciano, Gene Nay, Milton Ostello, Nancy Pera, Ray Record, Dave Rivera, Ray Schmitke, Walter Tackett, Earl Trecha, Arlene Wenger, Lee Zappettini.

The program began at eight o'clock at the Jefferson High auditorium. Because of limited seating capacity, admission was by invitation only.

Valedictory address was given by Lee Gorsuch, while Salutuatorian was Craig Coffee. The diplomas were presented by Stanford Hannah, superintendent.

Reverend Carlos Stopp, Jr. gave the benediction, and the high school band, directed by Alfred Runnells, furnished the music for the program.

Class speaker was Earl McCune, with other members of the program being Nancy McCaffrey, who gave a musical selection; R. Gene Nay, accompanied by Judy Woodard at the piano, gave a solo number; and the high school chorus presented several numbers.

Also awarding the diplomas was Mrs. Anna M. Eason, clerk of the Board of Trustees. Reverend Francis Realli gave the invocation.

We take pleasure in congratulating these young people on reaching this, their first big step on the road to life's success. Only time can prove whether that step was toward success or failure. From here on in--they are "on their own"!

VETS CAN GET OLD JOBS BACK:

Most veterans returning to civilian life are entitled to return to their old jobs. Floyd D. Granger, veteran service officer, advised that the Universal Military Training and Service Act of 1951 contains re-employment provisions intended to protect reservists, enlistees, and draftees alike.

Even persons who reported for military duty and were subsequently rejected have certain rights to regain their previous positions.

In calling attention to these re-employment rights, Granger emphasized that they are not absolute, but depend upon many different factors.

For instance, an ex-serviceman must apply for his job within 90 days after he is released from military duty or hospitalization, while reservists returning from short tours of training duty must protect their rights by applying for job reinstatement within 30 days. Persons who reported for induction but were rejected also have 30 days in which to apply for re-employment.

BRISBANE'S COMMUNITY CHEST DRIVE INCREASES 41% OVER 1950'S!

According to word received here from Community Chest Headquarters in San Mateo, Brisbane raised $277.00 in 1951, as compared to $196.00 raised here in 1950--giving us an increase of 41% over the previous year.

The entire county (San Mateo) showed an increase of 22% over the previous year--and in actual cash figures, the amount of increase is $54,596.00. This increase, however, does not mean that San Mateo County reached it's goal for 1952 (the money you gave in Oct. and Nov. of 1951). In fact, the entire Bay Area fell short of it's goal, having collected $6,716,353.00--while the goal had been set at $8,251,761.00. But San Mateo Countie's Community Chest drive was a huge success, compared to 1950's total, which was $5,906,144.00
